

Charge@public

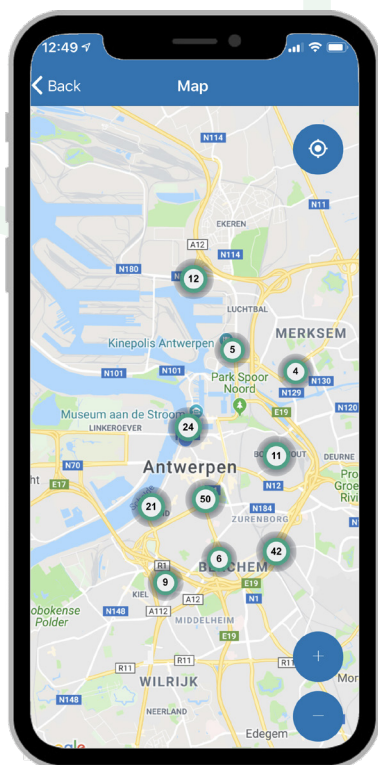

Charge badge

- **Just one badge**
We centralise the billing of all CPO's and MSP's for you, on a monthly basis, so you don't have to carry around multiple badges for the various providers.

- **No hidden costs**
Transparent costs with a fixed monthly fee of €3.75/month (excl VAT) and a one-off start-up cost of €5.00.

- **Quick delivery**
You can request your personal Charge Badge here and it will arrive by mail within a couple of business days.

With our handy platform, you'll be able to find charging stations that are not in use instantly, right on the map. It's also a great tool when you're planning a long trip, so that you'll never have to stress about not finding a charging station near you. You have access to over 450.000 charging points across Europe.

Get access to our tool on your browser or download our mobile App on iOS or Android.

Get more info and view the current overview of all charging posts on your browser by scanning the QR code.
